

DFW

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of: Ales CAPKA et al
Serial No.: 10/720,815
For: Cylinder Lock, especially for Motor Vehicles
Filed: 11/24/2003
Examiner: Bartlett, Suzanne Lale Dino
Art Unit: 3676

RESPONSE

Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22314

Sir:

This is a response to a telephone interview between the Examiner in charge of this application and the undersigned attorney, as aptly summarized in the Interview Summary. Enclosed are new, unchanged, printouts from the computer files containing the Exhibits A, B and C submitted with the Simultaneous Amendment.

REMARKS:

During the aforementioned telephone conversation, as well as in the Interview Summary, the Examiner indicated that at least some pages of at least some of the Exhibits submitted at the time of filing of this application in the United States were either missing or not properly scanned into the system.

To be on the safe side, the undersigned attorney is herewith submitting one copy of each of the Exhibits (this time, lightly marked in pencil to distinguish between them), realizing that at least some of this may be duplicative or redundant and will be discarded.)n the
